Re: Case 19-E-0177 - Rate Filing of the Municipal Commission of Boonville to Increase its Annual Electric Revenues by \$291,141 or 6.5%

Dear Secretary Burgess:

On behalf of the Municipal Commission of Boonville ("Boonville") in accordance with the provisions of the New York State Public Service Law and the Public Service Commission's ("Commission") regulations, Boonville hereby requests approval of a postponement of the effective date for the electric tariffs it filed with the above-referenced case on March 8, 2019 so it may present new information regarding its filing. The postponement changes the effective date of the tariffs from November 1, 2019 to December 1, 2019. Boonville requests the revision to the effective date so that Staff of the Department of Public Service has adequate time to review and analyze new information recently presented to them from the Boonville before making any recommendations to the Commission on the Boonville's pending rate request.

Boonville respectfully requests a waiver of the Commission's rules and regulations regarding newspaper publication for the supplement.

Boonville respectfully asks that questions regarding this filing be directed to Frank Radigan of the Hudson River Energy Group, 235 Lark Street, Albany, NY, 12210, (518) 527-0932, or via e-mail [at FRadigan@aol.com](mailto:FRadigan@aol.com).

Respectfully submitted,
